Reviewers' comments:

Reviewer #1: The title and abstract of the manuscripts do not give me a clear idea on the author(s)' substantive focuses. What is One-Stop Service Policy for? What is a Bureaucratic Reform for? What are licensing services (pubic offices must issue many difference types of licenses)?

More importantly, the failure of clearly defining substantive focuses may already indicate the quality of the manuscripts. In this sense, I could even suggest the author(s) to revise the manuscripts with this point.
